

### **Mandatory Award – Certificate in Education**

Your local Education Authority will grant you a Mandatory Award to pay for tuition fees for the Certificate in Education/PGCE. This will apply for both years. You can only receive the grant once (ie 2 years).

- It is your responsibility to contact your LEA for the grant.
- If you take longer than two years to achieve your qualification, you will be eligible to pay you own fees in subsequent years.
- You will also be offered a non-means tested loan. If you take this offer, you are required to pay that back yourself.
